

From Airport

Take Airport road parallel to Airline Hwy to Airport Access Rd. Go up ramp in left lane to I-10. I-10 expands to five lanes after Clearview exit. Move over to lane next to right most lane to exit for Causeway Blvd. Both right lanes exit and then split to go north & south. Continue straight in the left exit lane for North Causeway, then switch to right lane at merging traffic and take loop up to N. Causeway. Take left turn (two lanes) after last stop light on Causeway before Causeway bridge over Lake Pontchartrain. There is a left turn light.
